

2013 Convention Live Auction

Rules for Absentee Bidding at the Live Auction

We will have approximately 30 lots to be auctioned off to the highest bidder on Saturday night following our banquet. You will find the list in this issue as well as on the ndga.net website. This year we are doing something different. We know that everyone won't be able to join us in Wellington so we are going to offer those who can't come an opportunity to join us in bidding on these items. The following is the procedure for bidding.

You may mail or e-mail your maximum bid on the item(s) you wish to bid on to me at 4600 Meadow Ranch Circle, McKinney, TX 75071 or meyerantiques@juno.com. Bids must be received prior to July 1st for snail mail or July 10th for e-mail. You will be assigned a bidding number and someone will bid for you up to your maximum amount. We will need your name, address, and phone number. You will be called if you should win. **NO CALL IF YOUR BID DOESN'T WIN.**

If you wish to bid in real time you need to e-mail me at the above address or call me at 972-672-6213 to make arrangements for someone at the auction to relay your bids by phone.

After the convention your item will be packaged, weighed and postage added to bid amount and you will be notified with the amount and instructions on where to send the money. Once your payment is received your package will be shipped.

We hope that if you can't join us in person you will be able to join us for the actual auction. Remember, proceeds will go to the Museum Support Fund to help keep the museum up and running.
